Every day I try to think about
the things I am thankful for.

I am thankful for my hair because
it makes me unique.

I am thankful for my ears because
they let me hear words like "I love you."

I am thankful for my garden because
I like to watch things grow.

I am thankful for my shadow because
it makes me look taller.

I am thankful for bubble baths because
they keep me squeaky-clean.

I am thankful for underwear because
I like to wear it on my head.

I am thankful for my friends because
they make me smile.

I am thankful for my pets because
they keep me warm.

I am thankful for vacations because
I get to see new people and places.

I am thankful for walks because
they are special times for just you and me.

I am thankful for my hands because
they help me give special gifts.

I am thankful for my feet because
they help me run and play.

I am thankful for music because
it makes me want to dance.

I am thankful for colors because
they make me want to paint.

I am thankful for school because
I love to learn new things.

I am thankful for the library because
it is filled with endless adventures.

I am thankful for healthy food because
it keeps me strong.

I am thankful for the fall because
I like to jump in the leaves.

I am thankful for the winter because
I like to build snowmen.

I am thankful for hugs because
they make me feel good.

I am thankful for kisses because
they make me feel loved.

I am thankful for holidays because

they bring my family together!

There are lots of
things to be

thankful for.

Try to remember
some of them

every day!

The end.

Love,
